For YouTube, make sure the videos can be played on external domains. YouTube changes its policy periodically but in the first instance try this format: <https://www.youtube.com/embed/abcdefghijk>. If this doesn't work try:

<https://www.youtube.com/watch?v=abcdefghijk>

For Vimeo, use the player URL: <https://player.vimeo.com/video/110101010> instead of <https://vimeo.com/110101010> and make sure videos can be played on external domains.

When editing your member page avoid copying and pasting from Word because you will paste in styling that does not conform to styling used on the site. Instead, copy and paste from a text editor like notepad or notes that has no styling. You can add styles and links using the built-in editor on the page after pasting or typing in your text.

FEATURED SPEAKER

Christina Shaw
CHRISTINA SHAW AGENCY
Property and Casualty Insurance, Personal Lines

I Have You Covered. No really, I have you covered.

Here's why I have you covered:

- Incredible customer care excellence that will always exceed your expectations
- Highest levels of integrity and compassion amongst our team members
- A company that provides best-of-class products and extremely competitive pricing

I've earned many awards at Allstate but in 2014, I had the honor of winning the prestigious Ray Lynch Award. The Award is awarded to one agent each year out of 10,000 Allstate agents and without question, it's been the highlight of my career to date.

What's most special about this award is that it recognizes many of the things that I am passionate about, those being community service and supporting charitable institutions both financially and by volunteering.

Of course, it would be absurd to discuss Christina Shaw, the Allstate agency owner, without mentioning Christina Shaw, loving Mom to two amazing young daughters.

Mia and Mackie are my heart and soul and provide me with the focus, energy, they are the impetus that propels me each day, making me smile, giving me purpose, and fueling my passion for what I do.
